VIVALDI CONCERTO IN A MINOR
(1ST MOVEMENT)

You only have to play the songs you already know, and be prepared to do some crazy things to them!

After the KWCSS students have performed, the teachers will perform one of the best-known Pop songs of all time. Then, we'll celebrate the start of this new year of making music with our tradition of drinks and snacks in the Atrium. See below for instructions regarding what to bring.

Instructions:

- Please arrive at approx. 9:40 a.m. for tuning
- Follow the path from the parking lot at the South end of the building down to the usual door at the lower level. The Great Hall is just inside to your right, the Atrium to your left
- Parents, please put food or drink on tables in the Atrium
- Students who are playing should remain at the "stage" at the front of the room once they are tuned so as many chairs as possible are available for your families in the audience
- Young performers may be asked, just for fun, to lend their small instruments to a few of the older kids;
Don't worry, you'll get it back!
- **Music stands:** space on stage will be extremely limited, so please do not bring a music stand unless you need it for duets (violins & violas).
Everyone else should play from memory!
- Dress code for performers is casual.

For the reception following the Play In

Bruce's students:
Please bring some water or juice

Chloe and Martha's students:
Please bring nut-free treats, veggies, or fruit, ready to serve on a plate.

Several of the musicians who will be performing have severe nut allergies.
Please bring nut-free snacks if possible, and be sure to label any food that does contain nuts.

Thanks!
